REVIEWER COMMENTS		
	<b>We have used these providers in either of their 2 homes for over 20 years. They are all run and staffed by family. There Oakview home has been men and women though is presently just men.</b>	
	<b>The Purdy Home has always been just men. The Purdy Home is an active home. The men Like fishing, being outside, and other activities with staff. The residents of both home participate in the activities and attempt to stay busy. They are considering ways to involve the men in activities that would increase their community involvement.</b>
